

Economic Driving

This is a 3.5 hours long course, which has been written by Driver Link Training with the Qwizdom system integrated within the course for a more enjoyable experience. This Driver CPC course has been designed to provide useful tips on how to save fuel, given the amount of miles that your vehicles cover. If you take away just one small tip, it would prove to have been a worthwhile exercise.

Qwizdom is an award-winning developer of interactive learning solutions that enhance presentation deliverability and user engagement. Driver Link Training have the exclusivity to use Qwizdom, KGS Recruitment Services are an approved consortium member so it stretches out to them. The Qwizdom has become a useful learning tool, which will enable the course delegates to get the best out of the course.

However, there will be time for questions to be asked during the course, if you want to know more.
